

NOTE: This order is nonprecedential.

**United States Court of Appeals
for the Federal Circuit**

**AMGEN INC., AMGEN MANUFACTURING
LIMITED,**
Plaintiffs-Appellants

v.

SANDOZ INC.,
Defendant-Appellee

2015-1499

Appeal from the United States District Court for the
Northern District of California in No. 3:14-cv-04741-RS,
Judge Richard Seeborg.

O R D E R

Before NEWMAN, LOURIE, and CHEN, *Circuit Judges*.

PER CURIAM.

The parties have responded to this court's order regarding the amount of any bond to be posted for the injunction pending appeal that was entered on May 5, 2015.

In view of the court's decision issued today that Sandoz may not market its product until after September 2, 2015, no order for a bond is deemed appropriate or necessary. In accordance with our concurrent ruling, each of the parties may proceed in the district court in accordance with 35 U.S.C. § 271 and 42 U.S.C. § 262.

Accordingly,

IT IS ORDERED THAT:

Sandoz's request for a bond is denied.

FOR THE COURT

July 21, 2015
Date
