ORDER

WOLF, D.J.

June 12, 2017

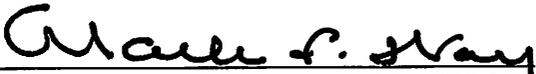

As stated at the June 1, 2017 teleconference, it is hereby ORDERED that:

1. The parties shall, by June 16, 2017, at 1:00 p.m., confer and report whether the defendants agree to the dismissal of C.A. Nos. 15-10698 and 16-11117, and whether defendants intend to move to dismiss C.A. No. 17-11008. If defendants intend to file a motion to dismiss, the report shall propose a schedule for briefing that motion. If the defendants do not intend to file a motion to dismiss, the report shall include a schedule for how C.A. 17-11008 should proceed, which shall provide for the completion of all discovery, including discovery concerning the issue of damages, before the case proceeds to trial. The report shall, in any event, propose an agenda for the June 21, 2017 conference.

2. The parties shall, in their June 16, 2017 report, state their respective positions concerning the appropriate remedies for the assertions of attorney-client and work-product privileges that

the court found, at the June 1, 2017 teleconference, to be improper.

3. The June 7, 2017 deadline for plaintiffs' sur-reply to the Motion to Dismiss for Lack of Standing (Docket No. 507) is CANCELLED.
