SCHEDULING ORDER

¹ This Order sets the schedule for the above-identified, related proceedings, which were each instituted on the same day. We exercise our discretion to issue one order covering each proceeding. The parties, however, are not authorized to use this style heading in any subsequent papers.

IPR2019-00739 (Patent 9,725,504 B2)
IPR2019-00740 (Patent 9,718,880 B2)
IPR2019-00741 (Patent 9,732,149 B2)

I. GENERAL INSTRUCTIONS

1. Initial Conference Call

The parties are directed to contact the Board within a month of this Order if there is a need to discuss proposed changes to this Scheduling Order or proposed motions that have not been authorized in this Order or other prior Order or Notice. *See* Office Patent Trial Practice Guide, 77 Fed. Reg. 48,756, 48,765–66 (Aug. 14, 2012) (“Practice Guide”) (guidance in preparing for the initial conference call). A request for an initial conference call shall include a list of proposed motions, if any, to be discussed during the call.

2. Protective Order

No protective order shall apply to this proceeding until the Board enters one. If either party files a motion to seal before entry of a protective order, a jointly proposed protective order shall be filed as an exhibit with the motion. The Board encourages the parties to adopt the Board’s default protective order if they conclude that a protective order is necessary. *See* Practice Guide, App’x B (Default Protective Order). If the parties choose to propose a protective order deviating from the default protective order, they must submit the proposed protective order jointly along with a marked-up comparison of the proposed and default protective orders showing the differences between the two and explain why good cause exists to deviate from the default protective order.

The Board has a strong interest in the public availability of trial proceedings. Redactions to documents filed in this proceeding should be limited to the minimum amount necessary to protect confidential

IPR2019-00739 (Patent 9,725,504 B2)
IPR2019-00740 (Patent 9,718,880 B2)
IPR2019-00741 (Patent 9,732,149 B2)

information, and the thrust of the underlying argument or evidence must be clearly discernible from the redacted versions. We also advise the parties that information subject to a protective order may become public if identified in a final written decision in this proceeding, and that a motion to expunge the information will not necessarily prevail over the public interest in maintaining a complete and understandable file history. *See* Practice Guide 48,761.

3. Discovery Disputes

The Board encourages parties to resolve disputes relating to discovery on their own. To the extent that a dispute arises between the parties relating to discovery, the parties must meet and confer to resolve such a dispute before contacting the Board. If attempts to resolve the dispute fail, a party may request a conference call with the Board.

4. Testimony

The parties are reminded that the Testimony Guidelines appended to the Trial Practice Guide, Appendix D, apply to this proceeding. The Board may impose an appropriate sanction for failure to adhere to the Testimony Guidelines. 37 C.F.R. § 42.12. For example, reasonable expenses and attorneys' fees incurred by any party may be levied on a person who impedes, delays, or frustrates the fair examination of a witness.

5. Cross-Examination

Except as the parties might otherwise agree, for each due date:

Cross-examination ordinarily takes place after any supplemental evidence is due. 37 C.F.R. § 42.53(d)(2).

IPR2019-00739 (Patent 9,725,504 B2)
IPR2019-00740 (Patent 9,718,880 B2)
IPR2019-00741 (Patent 9,732,149 B2)

Cross-examination ordinarily ends no later than a week before the filing date for any paper in which the cross-examination testimony is expected to be used. *Id.*

6. Motion to Amend

Patent Owner may file a motion to amend without prior authorization from the Board. Nevertheless, Patent Owner must confer with the Board before filing such a motion. 37 C.F.R. § 42.121(a). To satisfy this requirement, Patent Owner should request a conference call with the Board *no later than two weeks prior* to DUE DATE 1. *See* Section B below regarding DUE DATES.

Patent Owner has the option to receive preliminary guidance from the Board on its motion to amend. *See Notice Regarding a New Pilot Program Concerning Motion to Amend Practice and Procedures in Trial Proceedings under the America Invents Act before the Patent Trial and Appeal Board*, 84 Fed. Reg. 9497 (Mar. 15, 2019) (“MTA Pilot Program Notice”). If Patent Owner elects to request preliminary guidance from the Board on its motion, it must do so in its motion to amend filed on DUE DATE 1.

Any motion to amend and briefing related to such a motion shall generally follow the practices and procedures described in MTA Pilot Program Notice unless otherwise ordered by the Board in this proceeding. The parties are further directed to the Board’s Guidance on Motions to Amend in view of *Aqua Products* (<https://go.usa.gov/xU6YV>), *Lectrosionics, Inc. v. Zaxcom, Inc.*, Case IPR2018-01129 (Paper 15) (PTAB Feb. 25, 2019) (precedential), and *L&P Property Mgmt. v. Remarco Machinery & Tech.*, Case IPR2019-00255 (PTAB June 18, 2019) (Paper 15).

IPR2019-00739 (Patent 9,725,504 B2)
IPR2019-00740 (Patent 9,718,880 B2)
IPR2019-00741 (Patent 9,732,149 B2)

As indicated in the MTA Pilot Program Notice, Patent Owner has the option at DUE DATE 3 to file a revised motion to amend (instead of a reply, as noted above) after receiving petitioner's opposition to the original motion to amend and/or after receiving the Board's preliminary guidance (if requested). A revised motion to amend must provide amendments, arguments, and/or evidence in a manner that is responsive to issues raised in the preliminary guidance and/or petitioner's opposition.

If Patent Owner files a revised motion to amend, the Board will enter a revised scheduling order setting the briefing schedule for that revised motion and adjusting other due dates as needed. *See* MTA Pilot Program Notice, App'x B 1B.

As also discussed in the MTA Pilot Program Notice, if the Board issues preliminary board guidance on the motion to amend and the Patent Owner does not file either a reply to the opposition to the motion to amend or a revised motion to amend at Due Date 3, Petitioner may file a reply to the Board's preliminary guidance, *no later than* three (3) weeks after Due Date 3. The reply may only respond to the preliminary guidance. Patent Owner may file a sur-reply in response to Petitioner's reply to the Board's preliminary guidance. The sur-reply may only respond to arguments made in the reply and must be filed *no later than* three (3) weeks after the Petitioner's reply. No new evidence may accompany the reply or the sur-reply in this situation.

7. Oral Argument

Requests for oral argument must comply with 37 C.F.R. § 42.70(a). To permit the Board sufficient time to schedule the oral argument, the

IPR2019-00739 (Patent 9,725,504 B2)
IPR2019-00740 (Patent 9,718,880 B2)
IPR2019-00741 (Patent 9,732,149 B2)

parties may not stipulate to an extension of the request for oral argument beyond the date set forth in the Due Date Appendix.

Unless the Board notifies the parties otherwise, oral argument, if requested, will be held at the USPTO headquarters in Alexandria.

The parties may request that the oral argument instead be held at one of the USPTO Regional Offices. The parties should meet and confer, and jointly propose the parties' preference at the initial conference call, if requested. Alternatively, the parties may jointly file a paper stating their preference for the hearing location within one month of this Order. Note that the Board may not be able to honor the parties' preference of hearing location due to, among other things, the availability of hearing room resources and the needs of the panel. The Board will consider the location request and notify the parties accordingly if a request for change in location is granted.

Seating in the Board's hearing rooms is limited and will be available on a first-come, first-served basis. If either party anticipates that more than five (5) individuals will attend the argument on its behalf, the party should notify the Board as soon as possible, and no later than the request for oral argument. Parties should note that the earlier a request for accommodation is made, the more likely the Board will be able to accommodate additional individuals.

II. DUE DATES

This Order sets due dates for the parties to take action after institution of the proceeding. The parties may stipulate different dates for DUE DATES 1 through 3, 5, and 6 (earlier or later, but no later than DUE DATE

IPR2019-00739 (Patent 9,725,504 B2)
IPR2019-00740 (Patent 9,718,880 B2)
IPR2019-00741 (Patent 9,732,149 B2)

7). In stipulating to move any due dates in the scheduling order, the parties must be cognizant that the Board requires four weeks after the filing of an opposition to the motion to amend (or the due date for the opposition, if none is filed) for the Board to issue its preliminary guidance, if requested by Patent Owner. A notice of the stipulation, specifically identifying the changed due dates, must be promptly filed. The parties may not stipulate an extension of DUE DATES 4, 7, and 8.

In stipulating different times, the parties should consider the effect of the stipulation on times to object to evidence (37 C.F.R. § 42.64(b)(1)), to supplement evidence (§ 42.64(b)(2)), to conduct cross-examination (§ 42.53(d)(2)), and to draft papers depending on the evidence and cross-examination testimony.
