I. INTRODUCTION

On October 4, 2022, with authorization of the Board, Petitioners Fresenius Kabi USA, LLC and Fresenius Kabi SwissBioSim GmbH and Patent Owner Chugai Seiyaku Kabushiki Kaisha, (collectively “the Parties”) filed a joint motion to terminate in each of the above-identified proceedings due to settlement. Paper 71² (“Joint Motion”). The Parties also filed a copy of a Settlement Agreement (Ex. 1071 (“Settlement Agreement”)) governing their settlement along with a joint request (Paper 72 (“Joint Request”)) that the Settlement Agreement be treated as business confidential information and kept separate from the publicly available files of the above-captioned proceedings.

II. DISCUSSION

In each Joint Motion, the Parties represent that they have reached an agreement to jointly seek termination of the above-identified *inter partes* review proceedings, and that the filed copy of the Settlement Agreement represents “a true and correct copy” of the settlement agreement. Joint Motion 1.

We instituted a trial on the above-identified proceedings on January 6, 2022. Paper 23. The Parties’ requested to file a motion to terminate the proceedings prior to oral hearing. The Board has not decided the merits of the proceedings. Under these circumstances, we determine that it is appropriate to grant the Parties’ motion to terminate these proceedings. We also determine that it is appropriate to grant the Parties’ request to treat each

² For expediency, we cite to filings in IPR2021-01024. Similar items were filed in IPR2021-01025.

Settlement Agreement as business confidential information to be kept separate from the patent files and separate from the files of these proceedings pursuant to 37 C.F.R. § 42.74(c).

We note that in the Joint Request, the Parties additionally seek an order from the Board that, “in the event a person or entity makes a written request, as stated in 37 C.F.R. § 42.74(c)(1)-(2), for access to the settlement agreement, that any such written request be served upon Petitioners and Patent Owner on the day the written request is provided to the Board.” Joint Request 1. That request is *denied*. Under 35 U.S.C. § 317(b), settlement agreements “shall be made available only to Federal Government agencies on written request, or to any person on a showing of good cause.” The provision under 37 C.F.R. § 42.74(c) reads similarly. Here, the Parties are essentially asking us to include additional requirements to those provisions. Further, the Parties’ request would require us to issue an order for the conduct of Government agencies or individuals seeking access to the settlement agreements who are not parties to this proceeding or subject to our orders. As we find those aspects of the parties’ request to be inappropriate, it is *denied*.
