Defendants.)	

JOINT STIPULATION TO AMEND SCHEDULING ORDER

IT IS HEREBY STIPULATED AND AGREED, by and between the parties, through their undersigned counsel and subject to the Court’s approval, that the Scheduling Order (D.I. 280) be modified as follows:

Event	Current Deadline	Proposed Amended Deadline
Defendants to Serve Supplemental Non-Infringement Contentions	n/a	January 29, 2024
Plaintiffs to Serve Supplemental Validity Contentions	n/a	February 5, 2024
Joint Claim Construction Chart Due	January 19, 2024	February 9, 2024
Joint Technology Tutorial	February 16, 2024	May 17, 2024

The parties jointly propose the extension of the deadline to file the Joint Claim Construction Chart to allow the parties to exchange responsive contentions prior to the submission of the Joint Claim Construction Chart. Plaintiffs and Defendants also suggest that a Joint Technology Tutorial may be more helpful to the Court after the conclusion of claim construction briefing—when the issues are better defined—and before the hearing on claim construction (currently scheduled for May 29, 2024 (*see* D.I. 280)).

The above-proposed modifications will not result in any delay of the Markman briefing or hearing, nor the trial. All other dates in the Scheduling Order remain unchanged.
